What is the Reuse Center(HMRC)?

The HMRC is a facility which accepts, redistributes, and provides shelf-life extension services for excess hazardous material (HM). The center redistributes materials to users at no cost.

Who can use the center?

All military, civilian organizations, and other DoD activities within the USAGH.

Why should I use it?

- The HMRC reduces stockpiling of HM at the user's level
- Reduces health and safety hazards (including commander liability) associated with HM management
- Hassel free turn in of HM
- Units can get free material

How do I use it?

Stop by or call the center for information!!! (Contact info on reverse side)
